The Real Secretof the unparalleled success of The Chicago Daily News may be found in two distinguishing characteristics, which more than anything else have con-

tributed to its remarkable growth. Prest >- It is a Daily Paper for Busy People.

The people of the busy West appreciate keenly the accessity of an intelligent knowledge of the world's daily doings, but they are too busy to waste valuable time in searching through a cumbrous "blanket sheet" newspapers for the real news of art, literature paper for the real news of art, literature, science, religion, politics, and the thousand and one things which make up modern civ-Hisation. They want news—all the news—but they don't want it concealed in an overpowering mass of the trivial and inconsequential. It is because THE CHICAGO DAILY News is " all wheat and no chaff," that its circulation is over " a million a week."

SECOND:—It is an Independent, Truth-telling Neuspaper. The people demand a fatt, imperial, independent newspaper, which gives all the news, and gives it free from the taint of partisan bias. With no mere collical ambition to apply to the imperior of the period. of partian bias. With no mere political ambinous to gratify, no "ax to grind," the impartial, independent newspaper may trul "guide, philosopher and friend" to hor menof every shade of political faith; and this is why THE CHICAGO DAILY NEWS has today a circulation of over "a willion a speck. THE CHICAGO DAILY NEWS now adds to

these two comprehensive elements of popularity, a third, in its unparalleled reduction price to ONE CENT A DAY. It is always large enough,—never too large. THE CHICAGO DAILY NEWS is for sale by all newsdeniers at One Cent per copy, or will be mailed, postage paid, for \$3,00 per year, or 25 cents per mouth. The farmer year, or 25 cents per mouth.
